

**BAG HEALTH CARE GmbH Hygiene monitoring division acquired by MESA GERMANY GmbH, a fully owned subsidiary of MESA LABORATORIES Inc.**

Dear Valued Customer,

This letter is to inform you about the recent acquisition of the Hygiene Monitoring Division of **BAG HEALTH CARE GmbH** by **MESA GERMANY GmbH**, a fully owned subsidiary of MESA LABORATORIES, Inc. with its principle place of business in Lakewood, Colorado, U.S.A., one of the worldwide leading innovators in products and services for sterilization and disinfection control.

This transaction reflects Mesa's strategy to strengthen its product portfolio and better serve customers in BAG's German home market and beyond and strengthen Mesa's customers' existing relationship. For BAG Health Care customers, we plan to apply Mesa's global strength to provide new products, deepen technical support, while maintaining the excellent customer service you have always enjoyed with BAG.

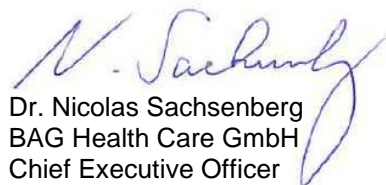

As a result of this acquisition **BAG Health Care GmbH** has discontinued its duties related to the Hygiene Monitoring products. Effective November 8, 2017, all corresponding duties and responsibilities of BAG Health Care GmbH were transferred to **Mesa Germany GmbH**. This includes order taking and shipping activities as well as Technical Support. The existing Sales and Marketing team dedicated to the Hygiene Monitoring division of BAG is transferred as well and will remain your points of contact.

The **BAG Diagnostic** and **Pharma business** remain unchanged within BAG and will be completely unaffected from the transaction of the Hygiene business.

Customers should contact **MESA GERMANY GmbH** in the future directly using the contact information provided as an attachment to this information letter.

We, BAG Health Care, would like to take the occasion to thank you for the long lasting, excellent business relationship and collaboration! We are convinced that Mesa will continue in providing you with service of exceptional quality. Mesa will be looking forward to continue the existing business relationship with you as a valued partner!

Yours sincerely,

A handwritten signature in blue ink, appearing to read "N. Sachsenberg".

Dr. Nicolas Sachsenberg  
BAG Health Care GmbH  
Chief Executive Officer
